

Call for Participation

**We invite you to the 5th International Conference
“Electronic Governance and Open Society: Challenges in Eurasia”
(EGOSE 2018), 14-16 November 2018, St. Petersburg.**

The **EGOSE 2018** aims to address the main issues of concern within the Information Society, e-government, e-governance, and e-democracy. The Conference provides a platform for networking and collaboration of eGovernance experts in CIS Countries and whole Eurasian area.

The **EGOSE 2018** Conference invites **paper submissions** and **speakers** on all topics related to **e-Governance** and **Open Society perspective** with a special focus on common and specific problems of the **Eurasian region**.

Topics of interest will include but are not limited to the following:

- eGovernance and Eurasian Integration
- Information Society and eGovernance
- Citizen Centred E-Government
- Convergence in E-Governance Services
- eGovernance and Policy Modelling
- Comparative trends in Digital Government
- Social Media: Tools for analysis, participation, and impact
- Big Data, Computer Analytics and Governance
- Cases and perspectives of the government transformations
- Open Government Prospects
- Open Government Data
- Building Smart City
- Smart City and Quality of Life
- Participatory Governance
- Disruptive E-Governance

Prominent and dynamic international keynote speakers will present innovative ideas, motivational insights and inspirational perspectives

EGOSE 2018 is a double-blind peer reviewed conference. Submissions should be original, previously unpublished work not currently under review by other publications. All submissions must be done through EasyChair using the link available on the conference website <http://egov-conf.ifmo.ru/>.

All accepted papers will be published in the Communications in Computer and Information Science proceedings series by Springer (indexed in Scopus). Best paper awards are planned.

English is the language of the EGOSE 2018 conference and all submissions. Simultaneous translation of the main sessions is planned

St. Petersburg is one of the world's most beautiful city has all the ingredients for an unforgettable travel experience: high art, lavish architecture, an extraordinary history, and rich cultural and scientific traditions.
